

# 2021 EMPLOYEE SERVICE RECOGNITION

## A Special Message from Steve Goeser, President & CEO, Methodist Health System

We have been through so much together as the COVID-19 pandemic continues its prevalence in our community and our health system. Unfortunately, the predictions for this pandemic's end are not encouraging. As challenging as every day can be, I hope you will continue to fight the good fight with us. We need each and every one of you to stand beside us and help defeat this virus. For your ongoing dedication and devotion to delivering *The Meaning of Care* on so many levels, the entire leadership team thanks you. Let's celebrate you and your colleagues for a job well done!
