

# Scrub Amnesty Week

## Scrub Amnesty Week

Please return any scrubs you may have worn home in the next week. Deposit them in any soiled laundry bin. No shame. No judgement. No questions asked.

Scrubs are among the many costs Methodist Health System has. And for a health system our size, purchasing, cleaning and recirculating scrubs is a major expense.

### How you can help:

- Turn in your scrubs daily in laundry bins. Don't wear them home.

- Empty your pockets to avoid losing your favorite items and damaging other scrubs during cleaning.
- Review usage guidelines so only necessary staff members are wearing scrubs.

Please do your part to help us reduce costs associated with cleaning and replacing scrubs. Together, we can make a difference!
