

IT'S SIMPLE:

# Add protection to your retirement savings

Enhance the security of  
your account

## Is your retirement account fully secure?

Activate 2-factor authentication and take an important step to help protect your retirement savings from fraud.

Log in now at [principal.com/login](https://principal.com/login), or scan the QR code

Once you're logged in, take a minute to register your mobile number and email address with Principal®. That activates 2-factor authentication and helps shield your savings.

## Do you have the Principal® app?

From the Principal® app, you can keep tabs on your account anytime and anywhere—not to mention check your account balance, change your contribution rate, update your beneficiary information, and much more.

Available at [principal.com/onthego](https://principal.com/onthego) or by scanning the QR code
